Providing Diagnostic and Treatment Services to Children and Adolescents with Autism Spectrum Disorders

Diagnostic Services
The Developmental Disorders Program at Cottage C provides diagnostic evaluations to assess for the presence of Autism Spectrum Disorders. Evaluations are completed by a team of professionals all of whom specialize in the area of Autism Spectrum Disorders.

The diagnostic team is comprised of:
- Harry Wright, M.D - Child Psychiatrist
- Alicia Hall, PhD - Clinical Psychologist
- Elizabeth Wilkinson, LMSW - Social Worker
- Ruth Abramson, PhD - Geneticist

In addition, the diagnostic clinic serves as a training program for:
- Child Psychiatry Residents from the University of South Carolina School of Medicine
- Master’s Level Social Work Interns from the University of South Carolina College of Social Work

Treatment Services
The Developmental Disorders Program offers an array of treatment options for children and adolescents diagnosed with Autism Spectrum Disorders including:
- Behavioral Consultation
- Social Skills Training
- Individual Therapy, including Cognitive Behavioral Therapy
- Family Therapy
- Skill Building Group Therapy
- Process - Focused Group Therapy
- Medication Assessment
- Ongoing Medication Management
